

CONSTRUCTION NOTICE:

CONTRACT: OCS-RFT24-005

SUGARBUSH DRAINAGE, WATERMAIN AND ROAD IMPROVEMENTS – Iroquois Ridge and Mohawk Heights

October 17, 2024

Starting October 21, 2024 The Township of Oro-Medonte will begin construction work on Iroquois Ridge and Mohawk Heights shown on the map below. Construction is anticipated to be completed by the end of November pending weather conditions and unanticipated circumstances.

PLANNED CONSTRUCTION WORK

The scope of work under this Contract includes minor tree removal, clearing and grubbing, cross culvert replacement, driveway culvert replacement, ditch improvements and watermain upgrades to mainline and individual water services. Road improvements include pulverizing existing asphalt, placement of new asphalt and shouldering.

Before the construction begins, underground utilities will be marked to avoid potential issues when digging.

CONSTRUCTION IMPACT ON LOCAL RESIDENTS AND TRAFFIC

- Roads will remain open and lane restrictions will be put in place to allow construction activities to proceed in a safe and efficient manner. On certain occasions, road closures may be required for culvert installation. Residents will be given 7 days' notice prior to road closures
- Access to private driveways will be impacted at times during road reconstruction and associated works.
- Waste collection schedules will not change during construction, although the typical pickup time may be earlier than normal. Waste materials should be placed on the curbside by 7 a.m. on your designated collection day.
- Special arrangements for mail delivery and school buses will be made if required.
- Property owners/residents are reminded that underground systems such as lawn sprinklers, heated driveways and electrical conduits etc. may be within the Township-owned boulevard or property limits and may be impacted by the proposed construction work. The Township will not be responsible for damage to any privately owned items that are within the Township-owned boulevard or property limits including landscaping items

The Township appreciates your co-operation and patience as we work to complete the construction as quickly and efficiently as possible.
