The subject lands are described as 15 Guest Road. A key map illustrating the location of the subject lands, and a copy of the applicants site plan including the lands to be rezoned are included with this notice.

The purpose and effect of the proposed Zoning By-law Amendment is to consider a proposal to amend Zoning By-law No. 97-95, as amended, by rezoning the subject lands from the Agricultural/Rural (A/RU) Zone to the Agricultural/Rural Exception (A/RU\*XXX) Zone.

This zoning would permit an aggregate depot that includes open storage of sand and stone to be used for local landscaping and construction projects, 3 sea containers in proximity to the stockpiled aggregate material and a small silo to be used storage of Portland cement. This site would operate seasonally from April to December and daily activity varying according to the local customer demands.
