

## **The Township of Oro-Medonte is Seeking a Board Member to Join the Skills Based Municipal Services Corporation**

The Township of Oro-Medonte is currently seeking one (1) new member to join the skills-based Board of Directors for the Municipal Services Corporation (MSC).

The MSC is responsible for the Township of Oro-Medonte's Environmental Services division infrastructure inclusive of municipal drinking water, streetlights, urban stormwater management, communal tile systems, and wastewater services.

The primary purpose of the skills-based Board of Directors is to provide governance oversight for the MSC. Based on services provided by the MSC, the following skills criteria are required in the overall composition of the MSC(s) Board of Directors:

- Civil Engineering/Water Resource/Environmental Engineering – strong working knowledge and/or direct experience in civil engineering/water resource/environmental engineering and general project management.
- Financial Expertise – strong financial acumen as it relates to financial reporting and analysis within the public sector.
- Awareness of Services Provided by the MSC and Overall MSC Business Model – awareness of services provided by the MSC, and specific challenges related to the provision of Environmental Services in a rural community with urbanized pockets; awareness of the Municipal Act (municipal governance), and the governing principles of an MSC.
- Government Relations – possess a solid understanding of managing government relations at all levels.
- Corporate Social Responsibility/Public Relations and Communications – experience and expertise with respect to environmental stewardship at an organizational or broader community level.
- Risk Management – professional expertise as it relates to assessing and advising on the issue of risk management within a financial/business environment.

At this time, given the current Board member skill sets, candidates with experience related to financial expertise and risk management are preferred, in addition to experience serving on a Board of Directors for a similar business/undertaking. All Board members must be Canadian citizens. MSC Board of Directors will be compensated consistent with the Township's current Remuneration and Expense Bylaw for Council/Committee members and meets approximately four (4) times per year.

Additional information regarding the MSC, municipal authority regulations, background information inclusive of staff reports to Council, and related Council endorsements can be found at [Municipal Services Corporation - Oro Medonte \(oro-medonte.ca\)](https://www.oro-medonte.ca/municipal-services-corporation).

Interested applicants who possess the skills above, have the ability to dedicate a personal time commitment to the Board, with a desire to serve the community of Oro-Medonte, are invited to submit expressions of interest including their CV, and a short introduction outlining professional experience to [msc@oro-medonte.ca](mailto:msc@oro-medonte.ca) by **January 10, 2025 at 4:30 p.m.**

*The Township of Oro-Medonte is committed to an inclusive, barrier free environment. Accommodation will be provided in all steps of the hiring process. Please advise the Township of Oro-Medonte Human Resources Department if you require any accommodation to ensure that you can participate fully and equally during the recruitment and selection process. Personal information is collected pursuant to The Municipal Freedom of Information and Protection of Privacy Act, and will be used solely for the purpose of the MSC Board of Director selection process. Questions about this collection should be directed to the Director, Environmental Services.*
